## Puppy Application

Thank you for your interest in B & T Brittanys. Please complete the Puppy Application below to help B & T Brittanys determine if you are a good match with a puppy from our kennel. We want to ensure each puppy we sell goes to a qualified home, is loved and receives proper care and nutrition. This application is used solely to help you find the right puppy. If we are unable to make a good match I can refer you to other reputable breeders.
